### Experience

#### Clinic Director At Texas Healthcare

2013– Present

Manage patients involved in motor vehicle accidents, personal injuries, and group health insurance.

- Adjust and educate the patient on chiropractic and its long-term benefits
- Delegate duties to staff regarding patient care (passive/active care, modalities, etc.)
- Help the roll out and teaching of an EMR system (Practice Studio) to colleague doctors

#### Clinic Director At Star Rehabilitation

2012-2013

Helped with patients in both pre-op and post-op situations, work comp, and patients that needed physical rehab. One of the best advantages of working at Star was that it had a therapeutic pool! It was great to learn and experiment with the different varieties of exercises that were available in the aquatic environment.

#### Unlicensed DC At Richardson/Garland Injury and Rehab

2012

Performed the initial and reexaminations on all patients. Performed most of the PT modalities and exercises with patients. Executed and developed all the x-rays on the patients.

#### Chiropractic Intern At Veterans Affairs Hospital – Dallas

2011

Interned under Dr. Moses for two months. Performed exams, adjustments and referrals for veterans.

### Skills

- Delegate duties to staff in the office to maintain efficient work flow.
- Examine, diagnose, and treat accordingly
- Adjust and educate the patients on what chiropractic is and the healing it provides.
- Experienced in aquatic therapy and rehab
